## Saturday Night at the Movies

Well Saturday night at 8 o'clock  
I know where I'm gonna go  
I'm a gonna pick my baby up  
And take her to the picture show  
Everybody in the neighborhood  
Is dressing up to be there too  
And we're gonna have a ball  
Just like we always do  
Saturday night at the movies  
Who cares what picture you see?  
When you're hugging with your baby  
In last row in the balcony  
Well there's Technicolor and Cinemascope  
A cast out of Hollywood  
And the popcorn from the candy stand  
Makes it all seem twice as good  
There's always lots of pretty girls  
With figures they don't try to hide  
But they never can compare  
To the girl sittin' by my side  
Saturday night at the movies  
Who cares what picture you see?  
When you're hugging with your baby  
In last row in the balcony  
Saturday night at the movies  
Who cares what picture you see?  
When you're hugging with your baby  
In last row in the balcony  
Saturday night at the movies  
Who cares what picture you see?  
When you're hugging with your baby  
In last row in the balcony  
Saturday night at the movies

## Old Time Rock and Roll

Just take those old records off the shelf  
I'll sit and listen to 'em by myself  
Today's music ain't got the same soul  
I like that old time rock 'n' roll  
Don't try to take me to a disco  
You'll never even get me out on the floor  
In ten minutes I'll be late for the door  
I like that old time rock'n' roll  
Still like that old time rock'n' roll  
That kind of music just soothes the soul  
I reminisce about the days of old  
With that old time rock 'n' roll  
Won't go to hear them play a tango  
I'd rather hear some blues or funky old soul  
There's only sure way to get me to go  
Start playing old time rock 'n' roll  
Call me a relic, call me what you will  
Say I'm old-fashioned, say I'm over the hill  
Today' music ain't got the same soul  
I like that old time rock 'n' roll  
Still like that old time rock 'n' roll  
That kind of music just soothes the soul  
I reminisce about the days of old  
With that old time rock 'n' roll  
Still like that old time rock 'n' roll  
That kind of music just soothes the soul  
I reminisce about the days of old  
With that old time rock 'n' roll  
Still like that old time rock 'n' roll  
That kind of music just soothes the soul  
I reminisce about the days of old  
With that old time rock 'n' roll  
Hey, still like that old time rock 'n' roll  
That kind of music just soothes the soul

I reminisce about the days of old  
With that old time rock 'n' roll  
Still like that old time rock 'n' roll

## Unchained Melody

Oh, my love, my darling  
I've hungered for your touch  
A long, lonely time  
Time goes by so slowly  
And time can do so much  
Are you still mine?  
I need your love  
I need your love  
God speed your love to me  
Lonely rivers flow  
To the sea, to the sea  
To the open arms of the sea  
Lonely rivers sigh  
"Wait for me, wait for me"  
I'll be coming home, wait for me  
Oh, my love, my darling  
I've hungered, for your touch  
A long, lonely time  
Time goes by so slowly  
And time can do so much  
Are you still mine?  
I need your love  
I need your love  
God speed your love to me

## Time of My Life

Now I've had the time of my life  
No, I never felt like this before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I owe it all to you  
I've been waiting for so long  
Now I've finally found someone to stand by me  
We saw the writing on the wall  
And we felt this magical fantasy  
Now with passion in our eyes  
There's no way we could disguise it secretly  
So we take each others hand  
'Cause we seem to understand the urgency  
Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love  
Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
Hey baby  
With my body and soul  
I want you more than you'll ever know  
So we'll just let it go  
Don't be afraid to lose control, no  
Yes, I know what's on your mind when you say  
"Stay with me tonight" (stay with me)  
And remember  
You're the one thing

I can't get enough of  
So I'll tell you something  
This could be love  
Because I've had the time of my life  
No, I never felt this way before  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I've searched through every open door (never felt this way)  
Till I found the truth  
And I owe it all to you  
Now I've had the time of my life  
No, I never felt this way before (never felt this way)  
Yes I swear it's the truth  
And I owe it all to you  
I've had the time of my life  
No, I never felt this way before (never felt this way)  
Yes I swear it's the truth  
And I owe it all to you  
'Cause I've had the time of my life (I had time of my life)  
And I've searched through every open door (you do it to me, baby)  
Till I found the truth (you do it to me, baby)  
And I owe it all to you

## Hi Ho Silver Lining

You're everywhere and nowhere baby, that's where you're at  
Going down a bumpy hillside, in your hippy hat

Flying across the country, and getting fat  
Saying everything is groovy, when your tires are flat

And it's high ho silver lining, anywhere you go now baby  
I see your sun is shining  
But I won't make a fuss, though it's obvious

Flies are in your pea soup baby, they're waving at me  
Anything you want is yours now, only nothing's for free

Lies are gonna get you someday, just wait and see  
So open up your beach umbrella, while you're watching TV

And it's high ho silver lining, anywhere you go now baby  
I see your sun is shining  
But I won't make a fuss, though it's obvious

And it's high ho silver lining, anywhere you go now baby  
I see your sun is shining

But I won't make a fuss, though it's obvious  
And it's high ho silver lining, anywhere you go now baby  
I see your sun is shining  
But I won't make a fuss, though it's obvious

And it's high ho silver lining, anywhere you go now baby  
I see your sun is shining  
But I won't make a fuss, though it's obvious

## The Beegees Medley

Well, you can tell by the way I use my walk  
I'm a woman's man, no time to talk  
Music loud and women warm, I've been kicked around  
Since I was born  
And now it's alright, it's okay  
And you may look the other way  
We can try to understand  
The New York Times' effect on man  
Whether you're a brother or whether you're a mother  
You're stayin' alive, stayin' alive  
Feel the city breakin' and everybody shakin'  
And we're stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it  
On the waves of the air  
There is dancin' out there  
If it's somethin' we can share  
We can steal it  
And that sweet city woman  
She moves through the light  
Controlling my mind and my soul  
When you reach out for me  
Yeah, and the feelin' is right  
Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it

Night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it

I know your eyes in the morning sun  
I feel you touch me in the pouring rain  
And the moment that you wander far from me  
I want to feel you in my arms again  
And you come to me on a summer breeze  
Keep me warm in your love, then you softly leave  
And it's me you need to show  
How deep is your love, how deep is your love  
How deep is your love?  
I really mean to learn  
'Cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me  
I believe in you  
You know the door to my very soul  
You're the light in my deepest, darkest hour  
You're my savior when I fall  
And you may not think I care for you  
When you know down inside that I really do  
And it's me you need to show

Tragedy  
When the feeling's gone and you can't go on  
It's tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one to love you  
You're going nowhere

My baby moves at midnight  
Goes right on till the dawn

My woman takes me higher  
My woman keeps me warm

What you doin' on your back, aah  
What you doin' on your back, aah?  
You should be dancing, yeah  
Dancing, yeah  
What you doin' on your back, aah  
What you doin' on your back, aah?  
You should be dancing, yeah  
Dancing, yeah

Dancing, yeah  
You should be dancing, yeah  
Dancing, yeah  
You should be dancing, yeah  
Dancing, yeah  
You should be dancing, yeah  
Dancing, yeah .....
